ARTICLE III- ARCHITECTURAL REVIEW

Section 3.1 Architectural Control Committee

A committee to be known as the Architectural Control Committee (the "ACC") shall be established consisting of the number of members as determined by Declarant, except that the ACC shall consist of not less than three (3) members prior to the Turnover Meeting.

3.1.1 The members of the ACC shall be appointed, terminated and/or replaced by Declarant until the Turnover Meeting is held, or if no Turnover Meeting is held, until the date which is ninety (90) days after the Conversion Date. Members of the ACC may be terminated and/or replaced by Declarant with or without cause. Thereafter, the Owners shall elect three (3) Owners to serve as members of the ACC, or, if at least three (3) Owners do not desire to serve as members of the ACC, such lesser number of Owners who desire to serve on the ACC shall be designated. In electing members of the ACC, each Owner shall have one vote for each Lot owned by the Owner. The three (3) Owners receiving the highest number of votes shall be elected as members of the ACC. If only three (3) or fewer Owners desire to serve on the ACC, those three (3) or fewer Owners shall be designated to serve on the ACC without the need of proceeding to an election. At three-year intervals commencing as of the Turnover Meeting, or if no Turnover Meeting is held, as of the date that is ninety (90) days following the Conversion Date, the then members of the ACC shall circulate to all Owners a written notice requesting election of members to the ACC, and the ACC shall be composed of the three (or, if necessary, fewer) Owners elected or designated in the same manner as those Owners currently serving as members of the ACC were elected (or designated). Declarant shall have no responsibility or liability for maintaining the active status of the ACC. In the event of the death or resignation of any member of the ACC after the Turnover Meeting, a new representative, who shall be an Owner, shall be appointed by the remaining ACC members. If there are no members serving on the ACC as a result of death or resignation, the Owners shall as soon as practicable call an election to elect (or to designate) Owners to serve on the ACC. The term of office of ACC members shall run no more than three (3) years, but may be repeated indefinitely if an incumbent member is elected, designated, or appointed as provided in this subsection. The ACC shall meet

at sufficient intervals to perform its review and approval functions specified in this Article III, but in any event at least once every six weeks.

3.1.2 The purpose of the ACC is to enforce the architectural standards of the community and to approve or disapprove plans for improvements proposed for the Lots.

3.1.3 The ACC shall act by simple majority vote and shall have the authority to delegate its duties to or to retain the services of a professional engineer, architect, designer, inspector or other person to assist in the performance of its duties.

Section 3.2 Architectural Manual

Declarant may adopt, and from time to time, amend modify, or revise an Architectural Manual. Adoption of the Architectural Manual may occur without the consent of anyone prior to conveyance of the first Lot to an Owner other than Declarant. Amendments, modifications, or revisions to the Architectural Manual may be made by Declarant, without the consent of anyone prior to conveyance of the first Lot to an Owner other than the Declarant. Thereafter the ACC shall have the right to amend, modify, or revise the Architectural Manual, subject to the approval of at least fifty percent (50%) of the voting power of the Owners. No such amendments, modifications, or revisions shall affect any prior ACC approval.

Section 3.3 Scope of Review

Buildings, fences, walls, patios, decks, outbuildings, landscaping, pools, athletic facilities or other structures or Improvements may be erected, altered, added onto or repaired upon any portion of the Property only with the prior written consent of the ACC, provided however, that Improvements erected, altered, added onto or repaired by Declarant shall be exempt from the provisions of this Article III.

Section 3.4 Submission of Plans

Before the initiation of construction upon any Lot, the Owner thereof shall first submit to the ACC a complete set of plans and specifications for the proposed Improvements, including site plans, grading plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, specifications of materials and exterior colors, and any other information deemed necessary by the ACC for the performance of its function pursuant to the procedure outlined in the Architectural Manual (if any). In addition, the Owner shall submit the identity of the individual or company intended to perform the work and projected commencement and completion dates. In the event an Owner submits plans or specifications to the ACC that are not adequate to permit the ACC to make an informed determination under this Article III, the ACC shall have the authority to require the Owner submitting the inadequate plans or specifications to retain, at the Owner's expense, the services of a professional engineer, architect, designer, inspector or other person to assist in the preparation of a sufficient submittal to the ACC.

Section 3.5 Plan Review

Upon receipt by the ACC of all of the information required by this Article III, it shall have thirty (30) days in which to review said plans. The proposed Improvements will be

approved if, in the sole opinion of the ACC: (i) the Improvements will be of an architectural style and material that are compatible with the other structures in the Property; (ii) the Improvements will not violate any restrictive covenant or encroach upon any easement or cross building set back lines; (iii) the Improvements will not result in the reduction in property value, use or enjoyment of any of the Property; (iv) the individual or company intended to perform the work is acceptable to the ACC; and (v) the Improvements will be substantially completed, including all cleanup, within three (3) months of the date of commencement (six (6) months for the construction of a complete house). If the ACC fails to issue its written approval, or rejection, within thirty (30) days of its receipt of the last of the materials or documents required to complete the Owner's submission, the ACC's approval shall be deemed to have been granted without further action.

Section 3.6 Non-conforming Structures

If there shall be a material deviation from the approved plans in the completed Improvements, such Improvements shall be in violation of this Article III to the same extent as if erected without prior approval of the ACC. The ACC or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof.

Section 3.7 Immunity of ACC Members

No individual member of the ACC shall have any personal liability to any Owner or any other person for the acts or omissions of the ACC if such acts or omissions were committed in good faith and without malice. Any member of the ACC who is the prevailing party in any litigation or other proceeding initiated against such member by one or more Owners may recover from the Owner(s) who initiated the litigation or other proceeding the out-of-pocket fees and expenses (including reasonable attorneys' fees) incurred by such member in defending the litigation or other proceeding.

Section 3.8 Clarification of Role of ACC

The ACC shall act in accordance with the provisions of this Article III and the other provisions of this Declaration that expressly relate to the ACC. However, unless expressly set forth herein, the ACC shall not act in the capacity of settling disputes between Owners or resolving problems that Owners may experience. Disputes or problems experienced by Owners with respect to which the ACC has no express authority or role as set forth in this Declaration shall be resolved by private, lawful means chosen by the affected Owners and there shall be no recourse to the ACC.

Section 3.9 Limited Review

The ACC's authority to review and approve plans for construction of improvements on any Lots is limited to the enforcement of the provisions of this Declaration and the architectural guidelines and standards set forth in the Architectural Manual (if any). The review and approval made by the ACC is not to be construed as superseding, replacing, or

modifying any review, approval, or permit required by any local, state or federal jurisdictional agencies. It is the applicant's responsibility to obtain and comply with any permits that may be required by any local, state, or federal jurisdictional agency.

Section 3.10 Address for Notice

Requests for ACC approval or correspondence with the ACC shall be addressed to Antler Ridge Architectural Control Committee, c/o Hayden Enterprises, Inc., 2464 SW Glacier Place, Suite 110, Redmond, Oregon 97756 or such other address as may be designated from time to time by the ACC. No correspondence or request for approval shall be deemed to have been received until actually received by the ACC in a form satisfactory to the ACC.

ARTICLE IV - EASEMENTS

Section 4.1 Utility Easements

As long as Declarant owns a Lot, Declarant hereby reserves the right to grant perpetual, nonexclusive easements for the benefit of Declarant or its designees, upon, across, over, through and under any portion of the Property for ingress, egress, installation, replacement, repair, maintenance, use and operation of all utility and service lines and service systems, public and private, including, without limitation, cable television. Declarant, for itself and its designees, reserves the right to retain title to any and all pipes, lines, cables or other improvements installed on or in such easements.

Section 4.2 Declarant's Easement to Correct Drainage

Declarant hereby reserves for the benefit of Declarant a blanket easement on, over and under the ground within the Property to maintain and correct drainage of surface waters and other erosion controls in order to maintain reasonable standards of health, safety and appearance and shall be entitled to remove trees or vegetation, without liability for replacement or damages, as may be necessary to provide adequate drainage facilities. Notwithstanding the foregoing, nothing herein shall be interpreted to impose any duty upon Declarant to correct or maintain any drainage facilities within the Property.

Section 4.3 Entry Easement

If the Owner of any Lot fails to maintain the Lot as required herein, or if there is an emergency, the ACC shall have the right, but not the obligation, to enter upon the Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Property. Entry upon the Lot as provided herein shall not be deemed a trespass, and the ACC shall not be liable for any damage so created unless such damage is caused by the ACC's willful misconduct or gross negligence.

Section 4.4 Reserved Easements

Easements for installation and maintenance of utility and storm water retention/detention ponds are reserved as may be shown on the recorded Plat. Within these easement areas, no structure, planting or other material shall be placed or permitted to remain

which may damage or interfere with the installation and maintenance of utilities, or which may hinder or change the direction of flow of drainage channels or slopes in the easements. The easement area of each Lot and all improvements contained therein shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or third person is responsible.

Section 4.5 Temporary Completion Easement

All Lots shall be subject to an easement of ingress and egress for the benefit of Declarant, its employees, subcontractors, successors and assigns, over and upon the front, side and rear yards of the Lots as may be expedient or necessary for the construction, servicing and completion of dwellings and landscaping upon adjacent Lots within the Property, provided that such easement shall terminate twenty-four (24) months after the date such Lot is conveyed to an Owner other than Declarant.

Section 4.6 Perimeter Fence Easement

An easement is hereby declared for the benefit of Declarant, its employees, subcontractors, successors and assigns as may be expedient or necessary for the construction of fencing along the perimeter of the Property. Declarant is not obligated to construct any perimeter fencing.

Section 4.7 Plat Easements

The Property shall be subject to all public and private easements delineated on the Plat, including without limitation, a twenty (20) foot wide private pedestrian and vehicular driveway access easement on Lots 13 and 14 for the use and benefit of the Owners of Lots 13 and 14.

Section 4.8 Maintenance of Sidewalks/Parkway Strips

The expense of maintenance of sidewalks and parkway strips, located between the street curb and the sidewalk, on or immediately adjacent to a Lot shall be the individual responsibility of the Owner(s) of the affected Lot(s). Parkway planter strips shall be landscaped and maintained in accordance with the provisions of Section 7.11.

Section 4.9 Street Trees

Street trees installed within parkway planter strips shall be maintained by the Owner(s) of the affected Lot(s) in accordance with the provisions of Section 7.11, and shall not be removed unless necessary because of disease or damage, in which case the tree shall be replaced as soon as practicable with a tree of similar species, measuring not less than two (2) inches in diameter, as measured four (4) feet above the ground surface.

ARTICLE V- USE, OCCUPANCY, CASUALTY, AND INSURANCE

Section 5.1 Residential Use

All Lots and Units shall be kept and maintained primarily for single family residential purposes.

Section 5.2 Commercial, Institutional, or Other Non-Residential Uses

No commercial, institutional, or other non-residential uses (including residential day care facilities) may be conducted on a Lot without the prior written approval of the ACC. The ACC shall not unreasonably withhold consent to a non-residential use if only normal residential activities would be observable outside of the Unit and the activities would not be in violation of applicable ordinances nor create additional traffic or the need for additional parking. The ACC shall not allow a use that diminishes the residential character of the Lot or neighborhood or imposes a nuisance on the neighborhood. Any such use must comply with all the use restrictions of this Declaration and all applicable law, including, without limitation, zoning requirements. Any Owner wishing to conduct any commercial, institutional, or other non-residential uses on any Lot shall first apply to the ACC for approval of such use and shall provide to the ACC any information deemed necessary by the ACC to evaluate the impacts of such use on the neighborhood. The decision of the ACC shall be final and conclusive. The ACC may review, and repeal, any such approval from time to time at the discretion of the ACC if, in the opinion of the ACC, the use has changed or increased to a level not consistent with the original approval. In no event shall the decision of the ACC as to permissibility of a requested non-residential use be construed as a representation of the legal permissibility of such use. This Section 5.2 does not restrict the right of an Owner to maintain Owner's professional personal library, keep Owner's personal business or professional records or accounts or handle Owner's personal business or professional telephone calls in Owner's Unit.

Section 5.3 Garage Sales

The provisions of this Article shall not apply to garage sales conducted entirely on an Owner's Lot in accordance with the guidelines (if any) established by the ACC, provided that no Owner shall conduct more than three (3) garage sales of no more than three (3) days duration during any six (6) month period.

Section 5.4 Declarant Use

The provisions of this Article shall not apply to the use of any Lot or Unit by Declarant as i) a model home, sales office, or construction office; or ii) the use of any Lot as a site for a sales office trailer or construction office trailer.

Section 5.5 Owner Insurance

Each Owner of a Lot is encouraged to obtain and maintain in effect, from a reputable insurance company authorized to do business in the State of Oregon, public liability and property damage insurance with respect to such Lot and fire and extended coverage casualty insurance with respect to the Owner's Unit in an amount equal to one hundred percent (100%) of

the replacement cost thereof. Each Owner shall also be responsible for obtaining fire and extended coverage casualty insurance with respect to that Owner's personal property. No Owner shall be obligated to obtain any of the insurance coverages described herein.

Section 5.6 Casualty

In the event of damage to or destruction of a Unit, the Owner of the Unit shall repair, reconstruct, and rebuild the damaged or destroyed portions of the Unit to substantially the same condition that existed prior to the damage or destruction. All repair, reconstruction, or rebuilding shall begin within six (6) months following the damage or destruction, and shall be diligently pursued to completion within twelve (12) months following the damage or destruction, unless work is delayed by causes beyond the reasonable control of the Owner.

ARTICLE VI- PROPERTY RIGHTS

Section 6.1 Owner's Use and Occupancy

Subject to any easements affecting an Owner's Lot, each Owner of a Lot shall be entitled to the exclusive use and benefit of such Lot. As such rights of an Owner of a Lot with respect to the Unit on such Owner's Lot is subject to the rights of Declarant and the ACC under this Declaration, Declarant, and any representative of the ACC authorized by the ACC may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of determining whether or not the use of and/or Improvements on such Lot are then in compliance with this Declaration. No such entry shall be deemed to constitute a trespass, conversion, or otherwise create any right of action in the Owner of such Lot.

Section 6.2 Rights of the ACC

The ACC shall have the following additional rights with respect to governing the use and occupancy of the Property:

6.2.1 The right of the ACC to establish and publish rules and regulations governing the use of the Property affecting the welfare of the Owners.

6.2.2 The right of the ACC to suspend the voting rights of an Owner for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

Section 6.3 Effect of Declaration

Reference in any deed, mortgage, trust deed or any other recorded documents to the easements, restrictions and covenants herein described or to this Declaration shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees, or trustees of said parcels as fully and completely as if those easements, restrictions and covenants were fully related and set forth in their entirety in said documents.

Section 6.4 Rezoning Prohibited

No Lot shall be rezoned to any classification allowing commercial, institutional or other non-residential use without the prior written consent of the ACC and Declarant so long as Declarant owns a Lot, which may be withheld in the ACC's or Declarant's sole discretion, as applicable. Declarant or the ACC may enforce this covenant by obtaining an injunction against any non-approved rezoning at the expense of the enjoined party.

Section 6.5 Lot Consolidation and Division

No Lot may be consolidated with another Lot and no Lot may be subdivided.

Section 6.6 Drainage Alteration Prohibited

The surface water drainage contours of each Lot shall conform to the approved grading plan established by the Declarant. No Owner shall fill or alter any drainage swale established by the Declarant, nor shall any Owner install landscaping or other improvements that divert surface water runoff from the drainage patterns, swales and easements established by the Declarant without the prior, written approval of the ACC.

ARTICLE VII- USE RESTRICTIONS

Section 7.1 Nuisances

No noxious or offensive activity shall be carried out upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

Section 7.2 Development Activity

Notwithstanding any other provision herein, Declarant and its successors and assigns, shall be entitled to conduct on the Property all activities normally associated with and convenient to the development of the Property and the construction and sale of dwelling units on the Property.

Section 7.3 Temporary Structures

No structure of a temporary character, including, without limiting the generality thereof, any trailer, tent, shack, garage, barn, motor home or mobile home or other outbuilding, and no prefabricated or relocated structure shall be used on any Lot at any time as a residence, either temporarily or permanently. This restriction shall not be interpreted to limit the right of Declarant to use trailers or outbuildings as sales offices, construction offices, material storage facilities, or sanitation facilities.

Section 7.4 Signs

No sign of any kind may be kept or placed upon any Lot or mounted, painted or attached to any Unit, fence or other improvement upon such Lot so as to be visible from public

view or mounted on any vehicle or trailer parked or driven in the subdivision or carried by any person or by any other means displayed within the subdivision except as provided below:

7.4.1 "For Sale" Signs

An Owner may erect one (1) sign not exceeding two (2) feet by three (3) feet in dimension, fastened only to a stake in the ground and extending not more than three (3) feet above the surface of the ground advertising the property for sale.

7.4.2 "For Rent" Signs

An Owner may erect one (1) sign not exceeding three (3) square feet in area advertising the property for rent. Such signs shall be visible from the front of the Unit only, and shall be displayed from within the Unit. No such sign shall be erected within a lawn or landscape area on any Lot, or attached to the outside of the Unit.

7.4.3 Declarant's Signs

Signs or billboards may be erected by Declarant and are exempt from the provisions of this Section.

7.4.4 Political Signs

Political signs may be erected upon a Lot by the Owner of such Lot advocating the election of one or more political candidates or the sponsorship of a political party, issue or proposal provided that such signs shall not be erected more than ninety (90) days in advance of the election to which they pertain and are removed within fifteen (15) days after the election.

7.4.5 Subdivision Identification Signs

Signs, monumentation or billboards may be erected by Declarant to identify the subdivision, with approval from the local jurisdictional authority, if applicable.

7.4.6 Commercial Vehicle Emblems

Vehicles displaying commercial emblems may be kept or parked on any Lot only as provided in Section 10.5. The foregoing restrictions shall not be deemed to prohibit the display of the flag of the United States by an Owner or occupant of a Lot if the flag is displayed in a manner consistent with federal flag display law, 4 U.S.C. § 1 *et seq.* The ACC may adopt reasonable rules and regulations consistent with federal flag display law regarding the placement and manner of display of such flag and the location and size of the flagpole.

Section 7.5 Campers, Boats, Recreational Vehicles, Commercial Vehicles, and other Non-Passenger Vehicles

Campers, boats, boat trailers, recreational vehicles, commercial vehicles, or other types of non-passenger vehicles, equipment, implements, or accessories may be kept or stored on any Lot only (i) with the ACC's approval, and (ii) as provided below:

7.5.1 Campers, boats, boat trailers, recreational vehicles, recreational trailers, and other non-passenger vehicles, equipment, implements, or accessories should be stored or kept on the side of the Unit or the Lot, fully enclosed within the garage located on such Lot, or screened from view by a screening structure or fencing approved by the ACC. The foregoing vehicles and items may be temporarily placed at the front of a Lot for purposes of maintenance or preparation for use.

7.5.2 Commercial vehicles bearing commercial insignia or names may be kept or stored on any Lot only with the approval of the ACC. Commercial vehicles bearing commercial insignia or names that are (i) temporarily parked on any Lot for the sole purpose of serving such Lot, or (ii) kept within an Owner's garage at all times are exempt from this restriction. The ACC, as designated in this Declaration, shall have the absolute authority to grant approval for storing or keeping a commercial vehicle on a Lot. Notwithstanding the foregoing, the ACC shall not unreasonably withhold consent to keep a commercial vehicle bearing insignia or names where such vehicle is driven by an Owner pursuant to Owner's primary job. Any Owner wishing to keep a commercial vehicle on any Lot shall apply for approval to the ACC, and shall provide such information as the ACC, in its sole authority, may require. The ACC may from time to time in its sole discretion review the approval to keep a commercial vehicle on any Lot to determine if the vehicle complies with the intent of the original approval. Garages may be used as Declarant's sales offices before permanent occupancy of the main structure, however, sales offices must be converted to garages before permanent occupancy. With the exception of periods when garages are used by the Declarant as sales offices, a garage shall be maintained solely for the storage of automobiles, and no garage may be enclosed or otherwise used for habitation, nor may any garage door be removed except when necessary to repair or replace a garage door with the same type of garage door. Residences constructed with garage space greater than one automobile in size providing storage space and/or parking of a second automobile may be enclosed or otherwise used for habitation in all or part of this additional garage space only with the approval of the ACC pursuant to Article III. In no case shall a doorway, other than overhead garage door, be located in such space, which faces a front yard.

Section 7.17 Setback Lines

All buildings or other structures (including fences), permanent or temporary, habitable or uninhabitable, must be constructed, placed and maintained in conformity with setback standards imposed by the local governmental jurisdictional authority.

Section 7.18 Athletic and Recreational Facilities

Lights or decorations may be erected on the exterior of Units in commemoration or celebration of publicly observed holidays provided that such lights or decorations do not unreasonably disturb the peaceful enjoyment of adjacent Owners by illuminating bedrooms, creating noise or attracting sight-seers. Holiday decorations or lights for any publicly observed holiday between December 1st and December 31st of any year, may not be displayed before November 15th of any year. For other holidays, decorations or lights may not be displayed more than two (2) weeks in advance of the holiday.

All lights and decorations that are not permanent fixtures of the Unit which are part of the original construction or have been properly approved as permanent improvements by the ACC shall be removed within thirty (30) days after the holiday has ended.

Section 7.21 Construction Activities

This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction activities during the construction or remodeling of or making of additions to improvements by a Lot Owner (including Declarant) upon any Lot within the Property. Specifically, no such construction activities shall be deemed to constitute a nuisance or a violation of this Declaration by reason of noise, dust, presence of vehicles or construction machinery, posting of signs or similar activities, provided that such construction is pursued to completion with diligence and conforms to usual construction practices in the area and any rules promulgated by the ACC. The ACC shall have the right to promulgate reasonable rules and restrictions regulating such construction activities; provided that Declarant shall be exempt therefrom. In the event that construction upon any Lot does not conform to any ACC rule or the usual construction practices in the area as determined by the ACC in its sole good faith judgment, the ACC shall have the authority to obtain an injunction to stop such construction. In addition, if during the course of construction upon any Lot there is excessive accumulation of debris of any kind which is offensive, or detrimental to it or any other portion of the Property, then the ACC may contract for or cause such debris to be removed, and the Lot Owner shall be liable for all expenses incurred in connection therewith.

Section 7.22 Unit Height

All residential building units shall be limited to a maximum of two and one-half (2 ½) stories in height and the highest point of any structure shall not violate any height restrictions imposed by the zoning ordinances of the local governmental jurisdictional authority. The ACC, in its sole discretion, shall determine whether a Unit meets the criteria of a two and one-half story building. Units built by Declarant shall be exempt from this Section.

Section 7.23 Retaining Walls

Retaining walls may be constructed on a Lot only if approved in advance by the ACC. Retaining walls may extend into the required front, side or rear setback lines of a Lot. The ACC may require any retaining wall which exceeds two (2) feet in height be designed by a qualified Professional Engineer licensed to practice engineering in the State of Oregon. Retaining walls constructed by the Declarant shall be exempt from this Section.

Section 7.24 Exterior Finish

All exterior walls of all dwellings, garages and approved accessory buildings shall be completely finished with wood, vinyl, stucco, brick, stone, paneling or other material acceptable to the ACC. Notwithstanding the foregoing, the ACC is empowered to waive this restriction if, in its sole discretion, such waiver is advisable in order to accommodate a unique or advanced building concept, design, or material, and the resulting structure will not detract from the general appearance of the neighborhood.

Section 7.25 Limitation on Square Feet

The minimum square footage area of Units erected on the Lots, exclusive of open porches and/or garages, shall be not less than one thousand fifty (1,050) square feet.

ARTICLE VIII - PICKETING AND DEMONSTRATIONS

Section 8.1 Prohibitions

By acceptance of the deed to any Lot covered by this Declaration, the Owner covenants and agrees with the Owners of all other Lots within the subdivision, that no Owner or resident of any Lot shall engage in picketing, protest marches, sit-in demonstrations, protest speeches or other forms of public protest, including without limitation, displaying signs or placards within public view, upon any Lot or within any easement or street right-of way adjacent to any Lot, or affixed to any vehicle or apparatus upon or adjacent to any Lot. This prohibition shall not affect the right of any person to participate in any other form of public protest conducted outside the area depicted on the recorded subdivision Plat. No Owner or resident of any Lot shall engage in conduct that tends to vilify, ridicule, denigrate, or impugn the character of any other Owner or resident if such conduct occurs on any Lot, easement, or street, or any other portion of the Property depicted on the subdivision Plat.

Section 8.2 Acceptance of Prohibitions

Each Owner, by acceptance of the deed to any Lot, shall be deemed to have accepted the foregoing prohibitions as reasonable limitations on his or her constitutional right of free speech and to recognize and agree that all Owners have the right to the peaceful enjoyment of their property; the right of privacy; the right to practice their own religion; the freedom of association; the right to engage in a profession, business or life-style of their own choosing provided that the conduct of such profession, business or life-style is not illegal and does not otherwise violate any provision of this Declaration.

ARTICLE IX- ANNEXATION

Section 9.1 Annexation by Declarant

At any time during the initial term of this Declaration, the Declarant may, at its sole option, annex additional property into ANTLER RIDGE to be subject to the terms hereof to the same extent as if originally included herein and subject to such other terms, covenants, conditions, easements and restrictions as may be imposed thereon by Declarant. Declarant currently anticipates that there will be a total of approximately ninety (90) Lots in the subdivision, including the Lots shown on the Plat, and Lots expected to be created in property to be annexed to the subdivision, but this number may be adjusted at the sole discretion of Declarant. Declarant shall have no obligation of any kind to annex any additional property to the Property.

9.1.1 Eligible Property

Any or all of certain real property in Deschutes County included on the Plat or located adjacent to ("adjacent" property shall include property on the other side of a street) or contiguous with the Property shall be eligible for annexation. There is no limitation on the number of Lots which Declarant may annex to the Property, or the right of Declarant to annex common property, except as may be established by applicable ordinances, agreements, or land use approvals.

9.1.2 Consent or Joinder Not Required

No consent or joinder of any Owner or other party except the record owner of the land being annexed shall be necessary to effect any annexation made pursuant to this Section.

9.1.3 Declaration of Annexation

Annexation shall be evidenced by a written Declaration of Annexation executed by Declarant (or in the case of an annexation by action of Owners by a written Declaration of Annexation approved by the Owners and Declarant in accordance with Section 9.2 below) and by the owners of the property being annexed, setting forth the legal description of the property being annexed and any additional covenants, conditions and restrictions to be applied to such annexed property. Notwithstanding any provision apparently to the contrary, a declaration with respect to any annexed property may:

(a) establish such new land classifications and such limitations, uses, restrictions, covenants and conditions with respect thereto as Declarant may deem to be appropriate for the development of the annexed property;

(b) with respect to existing land classifications, establish additional or different limitations, uses, restrictions, covenants and conditions with respect thereto as Declarant may deem to be appropriate for the development of such annexed property; and/or

(c) contain provisions necessary or appropriate to comply with any condition, requirement, or imposition of any governmental or regulatory authority.

9.1.4 Voting Rights

Upon annexation, additional Lots so annexed shall be entitled to the voting rights as set forth in Section 10.1 below.

Section 9.2 Annexation by Action of Owners

At any time the Owners may annex additional property into ANTLER RIDGE to be subject to all of the terms of this Declaration to the same extent as if originally included herein. No such annexation shall be effective unless approved by at least seventy-five percent (75%) of the outstanding votes of the Owners and by Declarant so long as Declarant owns at

least one (1) Lot. Any property that is contiguous to existing property subject to this Declaration may be annexed hereto according to the foregoing requirements, provided however, that no such annexation shall be effective without the consent and joinder of the owners of the property to be annexed. Such annexation must be evidenced by a Declaration of Annexation as set forth in Section 9.1.3 above executed by the parties herein described.

Section 9.3 No Duty to Annex

Nothing herein contained shall establish any duty or obligation on the part of the Declarant or any Owner to annex any property into ANTLER RIDGE and no owner of property excluded from ANTLER RIDGE shall have any right to have such property annexed thereto.

ARTICLE X - GENERAL

Section 10.1 Voting

Until the Turnover Meeting, or in the event that no Turnover Meeting is held, until the date which is ninety (90) days after the Conversion Date, Declarant shall have five (5) votes for each Lot owned by Declarant and an Owner of a Lot other than Declarant shall have one (1) vote for each Lot owned by the Owner. Thereafter, each Owner of a Lot (including Declarant) shall have one (1) vote for each Lot owned by the Owner.

Section 10.2 Remedies

If any default by any Owner under the provisions of the Declaration or the rules and regulations as adopted by the ACC shall occur, any Owner shall have each and all of the rights and remedies which may be provided for in this Declaration and said rules and regulations, and those which may be available at law or in equity, and may prosecute any action or other proceedings against such defaulting Owner and/or others for enforcement of any lien, statutory or otherwise, including foreclosure of such lien and the appointment of a receiver for the Lot and ownership interest of such Owner, or for damages or injunction, or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief, but in all cases subject to the limitations and requirements of the Oregon Planned Community Act. No remedies herein provided or available at law or in equity shall be deemed mutually exclusive of any other such remedy. The expenses of any Owner(s) incurred in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the maximum rate permitted by law but, with reference to any Lots financed by FHA insured loans, not in excess of the maximum rate of FHA loans at the time of the default from the due date until paid, shall be charged to and assessed against such defaulting Owner. Any and all of such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by any Owner.

Section 10.3 Term and Amendments

The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years each, unless a signed

petition containing the signatures of at least seventy-five percent (75%) of the votes outstanding is presented to the ACC or other duly appointed and authorized persons, which shall authorize the ACC, or other duly appointed and authorized persons, to execute and properly record a notice of termination of this Declaration in the Deed Records of Deschutes County, Oregon. This Declaration may be amended at any time during the first thirty (30) year period or any extension thereof, by a signed petition containing the signatures of at least seventy-five percent (75%) of the votes outstanding, and the consent of the Declarant so long as the Declarant owns a Lot. Notwithstanding the foregoing, no amendment to this Declaration shall change the boundaries of any Lot or any uses to which any Lot or Unit is restricted or change the method of determining liability for common expenses, the method of determining the right to common profits or the method of determining voting rights of any Lot unless the Owners of affected Lots or Units unanimously consent to the amendment. Upon approval of an amendment as provided herein, the members of the ACC shall execute an instrument amending this Declaration and certifying that the amendment was adopted in accordance with this Declaration, which certification shall be properly acknowledged in the manner of acknowledgment of deeds, and the ACC, or other duly appointed and authorized persons, shall record the instrument amending this Declaration. For purposes of voting on an amendment to this Declaration pursuant to this Section 10.3, Declarant shall be deemed to have one (1) vote per Lot owned. Subject to the provisions of Section 10.4, notwithstanding any provisions hereof to the contrary, Declarant may, at its sole discretion and without consent being required of anyone, modify, amend or repeal this Declaration at any time before the closing of the sale on the first Lot, provided said amendment, modification, or repeal is in writing and properly recorded in the Deed Records of Deschutes County, Oregon. In no event shall an amendment pursuant to this Section create, limit, or diminish Declarant's special rights without Declarant's written consent or change the boundaries of any Lot or any use to which any Lot is restricted unless the Owners of the affected Lots consent to the amendment.

Section 10.4 Regulatory Amendments

Notwithstanding the provisions of Section 10.3, until the Turnover Meeting, or in the event that no Turnover Meeting is held, until the date which is ninety (90) days after the Conversion Date, Declarant shall have the right to amend this Declaration in order to comply with the requirements of any applicable statute, ordinance, regulation or guideline of the Federal Housing Administration, the Veterans Administration, the Farmers Home Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon that insures, guarantees or provides financing for a planned community or lots in a planned community or to comply with the Oregon Planned Community Act.

Section 10.5 Rights and Obligations

The provisions of this Declaration and the rights and obligations established thereby shall be deemed to be covenants running with the land and shall inure to the benefit of, and be binding upon, each and all of the Owners and their respective heirs, representatives, successors, assigns, purchasers, grantees and mortgagees. By the recording or the acceptance of

a deed conveying a Lot or any ownership interest in the Lot whatsoever, the person to whom such Lot or interest is conveyed shall be deemed to accept and agree to be bound by and subject to all of the provisions of this Declaration whether or not mention thereof is made in said deed.

Section 10.6 Miscellaneous Provisions

Any provision of this Declaration to the contrary notwithstanding, the following provisions shall control:

10.6.1 Notice to Institutional Holders of First Mortgage Liens

The following actions will require notice to all institutional holders of first mortgage liens: (i) termination of this Declaration; or (ii) material amendment to the Declaration.

Section 10.9 Conflicts

If there is a conflict between the terms of this Declaration and any rule or regulation adopted by the ACC pursuant to the terms hereof, this Declaration shall control.

Section 10.10 Partial Invalidity

The invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused this instrument to be executed on its behalf, attested and its corporate seal to be hereunto affixed as of this 30th day of December, 2005.
