**COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
CANYON BREEZE**

**THIS DECLARATION OF BUILDING AND USE RESTRICTIONS AND
ARCHITECTURAL CONTROL, made this 23rd of July 2007, by
Schumacher Construction, Inc., hereinafter referred to as "Grantor."**

WHEREAS, Grantor are the Sellers and/or owners of the real property in Deschutes County, Oregon, known as Canyon Breeze, the same appears in the Plat recorded in Cabinet H Page 68 of Plat records of Deschutes County.

WHEREAS, Grantor desires to declare of public record their intention to create certain protective Covenants, Conditions and Restrictions (CC&R's) in order to effectuate a general scheme of development creating benefits and obligations for the owners of said property.

NOW, THEREFORE, Grantor hereby declares that all of the properties described shall be held, sold and conveyed subject to the following easements, Restrictions, Covenants and Conditions which are for the purpose of protecting the value and desirability of the real property which shall run with the land and shall inure to the benefit of each owner thereof. These easements and (CC&R's) shall be binding on all parties having any right, title or interest in the described properties or any parts thereof, their heirs, successors and assigns.

ARTICLE 1

RESIDENTIAL CONVENANTS

1. LAND USE AND BUILDING TYPE

No lot shall be used except for residential purposes. No building shall be erected, altered or permitted to remain on any lot other than one single family site built dwelling not to exceed thirty (30) feet in height and a private garage for not less than two (2) cars. The foregoing provisions shall not exclude construction of a storage unit, hot tub, Gazebo or a shelter, provided the location of such structures is in conformity with the applicable municipal regulations and is compatible in design and decoration with the residence constructed on such lot and has been approved by the Architectural Control Committee, as designated by Grantor.

A. No alteration shall be made in the exterior design or color of any structure unless the Architectural Control Committee shall have first approved such alteration, including any

addition, in writing. The exterior finish of all construction on any lot shall be designed, built and maintained in such a manner as to blend in with the existing structures and landscaping within this subdivision. The Architectural Control Committee in accordance with Article II must approve exterior colors. Exterior trim, fences, doors, railings, decks, eaves, gutters and exterior finish on garages and other accessory buildings shall be designed, built and maintained to be compatible with the exterior of the structures they adjoin. Irrespective of the foregoing, Grantee or owner, without prior approval of the Architectural Control Committee shall not enclose any porch area of any residential unit constructed by Grantor. Enclosing shall include screening, glass or any solid construction material. Porches shall remain as a roofed-over deck area and constitute part of the architectural theme of Canyon Breeze.

B. Lighting shall not glare onto neighboring properties and conform to local codes.

2. **DWELLING SIZE**

The minimum square footage of any home within this subdivision shall be 1,200-square feet for a single level and 1,500-square feet for a multi-level. These minimums are exclusive of garages and open porches.

3. **OFFENSIVE ACTIVITIES**

No noxious, offensive or illegal activity shall be carried out upon any lot, nor shall anything be done, grown or placed upon any lot that interferes with or jeopardizes the enjoyment of other lot owners within this subdivision.

4. **ANIMALS**

No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that a reasonable number (not to exceed two (2) dogs or one (1) cat or other household pets) may be kept provided that they are not kept, bred or maintained for commercial purposes and are reasonably controlled so as not to be a nuisance.

5. **SIGNS**

No signs shall be erected or maintained on any lot (excluding Canyon Breeze entry signs) except that not more than one "FOR SALE" or "FOR RENT" sign placed by the owners, Grantors or by a licensed real estate agent, not exceeding twenty-four inches high and thirty-six inches long, may be temporarily displayed on any lot. This restriction shall not prohibit the temporary placement of "political" signs on any lot by owner or appointees provided the same shall not be a violation of the controlling governmental sign or ordinances.

6. **PARKING**

Parking of boats, trailers, motor homes, motorcycles, trucks, truck-campers and like equipment shall not be allowed on any part of the property, excepting Lot No. 20, or on public street adjacent thereto excepting only within the confines of an enclosed garage or behind a sight obscuring fence of approved design. Overnight parking is permitted for the purpose of off

loading and loading. Each dwelling must have off street parking spaces for at least two vehicles. Garage bays may be counted for the purposes of meeting this requirement. At no time shall RV be occupied for over night stay.

7. VEHICLES IN DISREPAIR

No lot shall permit any vehicle that is in an extreme state of disrepair to be abandoned or to remain parked upon any lot or on any street for a period in excess of forty-eight (48) hours (unless stored in a closed garage). A vehicle shall be deemed to be in an "extreme state of disrepair" when due to its continued in-operability or significant damage it offends the occupants of the neighborhood.

8. RUBBISH AND TRASH

No lot shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate sanitary containers for proper disposal and out of public view. Yard rakings and dirt resulting from landscaping work shall not be dumped onto streets or any lots.

9. TEMPORARY STRUCTURES

No structure of a temporary character, trailer, motor home, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence. Freestanding basketball hoops may be placed on the residence driveway only. They are not permitted in the street.

10. UTILITIES

No outdoor overhead wire or service drop for the distribution of electric energy or telecommunication purposes, nor any pole, tower or other structure supporting said overhead wire shall be erected, placed or maintained within this subdivision. All owners of lots within this subdivision, their heirs, successors and assigns shall use underground wires to connect their premises and the structures built thereon to the underground electric television cable or telephone utility facilities provided.

11. COMPLETION OF CONSTRUCTION

The construction of any building on any lot, including private lot drainage, painting and all exterior finish, shall be completed within nine (9) months from the beginning of construction so as to present a finished appearance when viewed from any angle. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval from the Architectural Control Committee.

12. LANDSCAPE COMPLETION

All front, rear and side yard landscaping and tree removal must be completed pursuant to a landscaping plan approved by the Architectural Control Committee. Front yard and side yard

landscaping on corner lots must be installed upon substantial completion of residence. All remaining landscaping must be completed prior to occupancy of the dwelling. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable time, but only after a written application is made to the Architectural Control Committee and the Committee's approval is obtained.

13. FENCES AND HEDGES

No fence greater than three (3) feet six (6) inches in height shall be permitted in the front yard on any residential unit. The maximum height of a site obscuring fence or hedge on any lot shall be six (6) feet. The location of any fences or hedges erected shall be along the rear lot line and/or along the side lot lines or along easement lines if applicable, but said fence or hedge may not be placed forward of the front setback line for the residence. All fences shall be constructed of cedar with uniform design. All fencing to match approved builder detail. No fence, hedge or wall shall be erected without prior written approval of the Architectural Control Committee. All fencing added or replaced by an owner shall be similar in appearance to any fencing provided by the Grantor. This provision is not meant to prohibit or restrict the developer of Canyon Breeze from erecting an entrance monument and fence, whose architecture and composition shall be determined at the developer's sole discretion.

14. ANTENNAS AND SERVICE FACILITIES

No exterior antennas, including but not limited to, two way or ham radio towers, or satellite dishes of any kind shall be permitted. Commercially available "**Digital Satellite Systems**" are permitted, providing the dish does not exceed 25 inches in diameter. Clotheslines and other service equipment shall be screened so as not to be viewed from any street

15. EXTERIOR MATERIALS

Exterior materials must be approved for use by the Architectural Control Committee, and in accordance with the provisions appearing in the Real Estate Contract for purchase of lots in this subdivision. Roofing materials must be 25 year composition or like quality. The exterior siding material shall be cedar, stone, bricks, stucco or composite siding. "T-111" plywood shall not be permitted. Exterior doors shall be wood or approved metal. Windows shall be vinyl. Garage doors shall be either of wood, metal, or composite construction. In appropriate circumstances the Architectural Control Committee can approve other materials, if necessary, to facilitate design, provided they are in keeping with the character of Canyon Breeze.

16. WINDOW COVERINGS

Window coverings, other than commercially produced curtains, shutters, drapes or blinds, or those non-commercially produced but of comparable quality, shall not be permitted to be visible from any street at any time after occupancy of dwelling.

ARTICLE II

ARCHITECTURAL CONTROL

1. ARCHITECTURAL REVIEW

No structure, including storage shelters, shall be commenced, erected, placed or altered on any lot until construction plans and specifications and a site plan showing the nature, shape, heights, material, colors and proposed location of the structure or change have been submitted to and approved in writing by the Architectural Control Committee. It is the intention and purpose of this Architectural Control Committee to assure quality of workmanship and materials, harmony of external design with the existing structures as to location, topography and finished grade elevations to avoid plan repetition. In all cases, the Architectural Control Committee's consent is required.

(a) MAJOR CONSTRUCTION

In the case of initial or substantial additional construction of a dwelling, the owner shall prepare and submit to the Architectural Control Committee such plans and specifications for the proposed work as the Committee may require. Materials required by the Committee may include, but not necessarily be limited to the following:

(A-1) A plan to scale indicating location of all improvements, including private drainage.

(A-2) Drawings to scale showing elevations, exterior materials and exterior color scheme of all improvements including fencing.

(A-3) Drawings showing yard landscape design and location including a description of plan materials. The parking strip shall be included in the landscaping plan.

The Architectural Control Committee shall render its decision with respect to the proposal after it has received all required materials.

(b) MINOR WORK

In the case of minor additions or remodeling, change of existing exterior color scheme or exterior materials, or any other work not referred to in (a) above, the owner shall submit to the Architectural Control Committee such plans and specifications for the proposed works as the Committee determines to be necessary to enable it to evaluate the proposal. The Architectural Control Committee shall render its decision with respect to the proposal after it has received all material required by it with respect thereto.

2. ARCHITECTURAL CONTROL:

(a) There shall be an Architectural Control Committee, consisting of three (3) persons, for the purpose of exercising the power and functions conferred upon said Committee by this section. The initial Committee shall be appointed by Grantor, each of said persons so appointed being subject to removal at Grantor's sole and absolute discretion. All vacancies on said Committee shall be filled by appointment by Grantor. Upon the sale by Grantor of all ownership's or, at the Grantor's discretion, after the period of one (1) year, Grantor shall appoint a new Committee of three (3) members.

(b) Said Committee shall have the right and power to interpret and enforce all restrictions in its sole discretion, exercised in good faith and independently of the owners. Decisions by the Architectural Control Committee are final and legally binding pertaining to judgments rendered regarding claims of covenant breach.

(c) This appointed Committee shall serve until such time as there may be an election by a majority of fifty-one percent (51%) of the Residential Unit owners, each Unit being entitled to one (1) vote. Upon such elections, the powers of the Committee first appointed shall cease and the newly elected Committee shall exercise those powers in its stead. In the event of the death, resignation or incapacity to serve of a member or members so elected, a successor or successors shall be elected by a majority of fifty-one percent (51%) of the Residential Unit owners. In the event that there is no election of a successor or successors within thirty (30) days of such death, resignation or incapacity to serve, the remaining member or members of the Committee shall appoint a successor or successors by a majority vote of the remaining Committee membership.

(d) Any decision of the Committee shall be in writing and signed by at least two (2) members. The Committee shall adopt rules and regulations for the conduct of these proceedings and may fix the time and place for its regular meeting and for such extraordinary meetings as may be necessary.

(e) Unless otherwise specified, enforcement of the restrictions set forth herein shall be by proceedings at law or equity brought by any member of the Committee, pursuant to the authorization of the Committee, against any person or persons violating or attempting to violate any provision or covenant, either to restrain violation or to recover damages. Neither Grantor nor the Architectural Control Committee, nor any member or successor member thereof, shall ever be liable because of an action they take, or fail to take, or for any defect in any building erected pursuant to this section, or at all, as a result of these restrictions, and the owners of the Residential Units, and each of them, agree jointly and severally to hold Grantors and the members of the Architectural Control Committee (as the membership of that body may be changed from time to time) free and harmless and to indemnify them accordingly from any claims and liabilities whatsoever arising from the operation of this section.

(f) If a violation of these restrictions occurs and if the Architectural Control Committee fails to act pursuant to its powers as set forth in this Declaration of Conditions, Covenants and Restrictions to enforce said provision, and after making unsuccessful demand in writing upon said Committee to carry out said enforcement by any Residential Unit owner within this Project, said owner shall have the right to act as plaintiff in any action against the violating party at said owner's sole cost and expense, and to recover said cost and expense from the violating party in any legal action said owner may bring.

(g) Should legal action be instituted as a result of any claim of breach as described in Paragraph 3 Article II, below, or any restriction contained herein, the prevailing party shall be reimbursed for all costs and attorneys' fees actually incurred, regardless of whether the action proceeds to judgment.

3. **NONWAIVER**

Consent by the Architectural Control Committee to any matter proposed to it within its jurisdiction under these articles shall not be deemed to constitute a precedent or waiver impairing its rights to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

4. **EFFECTIVE PERIOD OF CONSENT**

The Committee's consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has commenced or the owner has applied for and received an extension of time from the Committee.

ARTICLE III

GENERAL PROVISIONS

1. **TERM AND AMENDMENT**

These Covenants and Restrictions shall run with and bind all the property within this subdivision for a term of twenty (20) years from the date this declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This declaration or parts hereof can be terminated, revoked or amended only by duly recording an instrument which contains the amendment or the order of revocation or termination and which is signed by the owners of seventy-five percent (75%) of the owners of the lots in Canyon Breeze. The Grantors have the sole and exclusive authority to terminate, revoke, or amend these Covenants and Restrictions until the last lot has been sold and built upon.

2. **ENFORCEMENT**

In the event of any violation of any of the provisions of this declaration, the Grantors or any other person or persons owning real property within the plat may, at their option, exercise

the right to enforce these Covenants by bringing action in a court of law. Failure by any party to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The prevailing party in any action brought to enforce the provisions of the declarations shall be entitled to recover all costs, including reasonable attorney fees, incurred.

3. NOTICES

Any notice permitted or required to be delivered as provided herein may be delivered personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered forty-eight (48) hours after a copy of the same has been deposited in the United States mail, postage prepaid, by certified mail, addressed to each such person at the last known residence or domicile address of such person.

4. PAINTING, MAINTENANCE AND REPAIRS

In the event the Architectural Control Committee, in its sole discretion, determines that painting, maintenance or repair (hereinafter "work") of a Residential Unit or lot is reasonably necessary to preserve the appearance and value of said Residential Unit or lot or an adjacent lot, notice of the necessity of such work shall be delivered to the owner of such Residential Unit or lot, in which event said Owner shall be obligated, at his sole cost and expense, to perform said work within 6 months of such notice.

5. ACCESS TO SLOPES OR DRAINWAYS

Each Grantee of a Residential Unit agrees for himself, his assigns, heirs or successors in interest, that he will permit access by owners of adjacent lots to slopes or drainage ways located on his property which affect said adjacent lots, when such access is essential for the maintenance of the drainage facilities for the protection and use of property other than the lot on which the slope or drainage way is located.

6. DRAINAGE

Each Grantee of a Residential Unit agrees for himself and his assigns that he will not, in any way, interfere with the established drainage pattern of his lot from adjacent lots or other lots in said Project or that he will make adequate provisions for property drainage in the event it is necessary to change the established drainage over his lots. For purposes hereof, "established" drainage is defined as the drainage that occurred at the time the overall grading of said Project, including landscaping of each lot in the Project, was completed by the undersigned Grantor.

7. SEVERABILITY

Invalidation of any one of these Covenants by judgment or court order shall in no way affect any of the other provisions that shall remain in full force and effect.

8. LIMITATION OF LIABILITY OF GRANTOR

Neither Grantors nor any officer or director thereof shall be liable to any owner on account of action or failure to act by Grantors in performing their duties or rights hereunder, provided that Grantors have, in accordance with actual knowledge possessed by them, acted in good faith.

ARTICLE IV

HOMEOWNERS ASSOCIATION

(a) Upon formal termination of the Developer's control the ACC may, but shall not be obligated to, form an Oregon non-profit organization called the Canyon Breeze (hereinafter the "HOA"), the members of which shall be all the lot owners within The Property. HOA shall be governed by a three person board of directors and shall incorporate. Except as amended as provided herein, these Protective Covenants shall serve as the Bylaws of the HOA. If the ACC elects to form the HOA, the ACC shall cause the HOA to be incorporated and the initially elected officers and selected registered agent shall be placed on the original filing immediately after the organizational meeting.

(b) If the Architectural Control Committee elects to form the HOA, the initial board of directors shall be elected. Persons eligible for the initial HOA shall be limited to owners of any lot within The Property. The ACC shall solicit from and circulate to all lot owners a list of nominees for the initial board of directors positions and any owner interested shall be encouraged to submit their name to the ACC. The ACC shall then conduct an election of the initial board of directors. The three nominees obtaining the three highest vote totals shall constitute the initial board of directors.

(c) The total number of votes entitled to be cast for each director's position shall be based upon the total number of lots within The Property. Each lot owner shall have the right to cast one vote for each lot owned. The initial board of directors shall meet within ten days after their election and may at that time adopt any governing documents including bylaws, guidelines, procedures, rules and regulations, relating to the architectural, landscaping, signage and lighting controls within The Property.

(d) The HOA's board shall have the following powers: (1) to govern the affairs of the HOA; (2) to adopt and amend bylaws and rules and regulations; (3) to adopt and amend budgets for revenues, expenditures and reserves and levy and collect assessments for common expenses from owners, which shall not exceed \$300 per year per lot; (4) to hire and terminate managing agents and other employees, agents and independent contractors; (5) to institute, defend or intervene in litigation or administrative proceedings in its own name on behalf of itself or on behalf of two or more owners on matters affecting The Property; (6) to make contracts and incur liabilities; (7) to regulate the use, maintenance, repair, replacement and modification of any common areas; (8) to cause additional improvements to be made use part of any common area; (9) to acquire by purchase, lease, devise, gift or voluntary grant, real property or any interest

therein and take, hold, possess and dispose of real property or any interest therein; (10) to impose and receive, any payments, fees, or charges for late payments of assessments, attorney fees for collection of assessments and, after giving notice and an opportunity to be heard, levy reasonable fines for violations of these Protective Covenants, bylaws and rules and regulations of the HOA; (11) to impose reasonable charges for the preparation and recordation of amendments to these Protective Covenants or statements of unpaid assessments; (12) to provide for the indemnification of its officers and executive board, as may be limited by ORS Chapter 65, and maintain director's and officers liability insurance; and (13) to exercise any other powers conferred by these Protective Covenants and all other powers that may be exercised in this stated by any such association and proper for the governance and operation of the HOA.

(e) Unless expressly prohibited by these Protective Covenants, the HOA has the authority to execute, acknowledge, deliver and record on behalf of lot owners any and all leases, easements, rights-of-way, licenses and other similar interests affecting any common areas and consent to vacation of roadways within and adjacent to The Property.

(f) Upon the formation of the HOA, the HOA may, but is not obligated to, terminate the powers of the ACC by a written declaration to that effect, and upon such termination, all rights, powers and duties of the ACC and Developers, as stated herein, shall be vested in the HOA.

IN WITNESS WHEREOFF, the undersigned, being Grantors herein, have hereto set their hands this 23rd day of July, 2007.

ROBERT SCHUMACHER, SCHUMACHER CONSTRUCTION, INC.

State of Oregon)

County of Deschutes

On this 23rd day of July, 2007, before me a Notary Public in
and for the State of Oregon, personally appeared Robert M. Schumacher, and
_____, to me personally known, or proved to me by satisfactory
evidence to be the identical person described herein, who executed the foregoing declaration and
acknowledged to me that he did so freely and voluntarily for the purpose therein named.

SURVEYOR'S CERTIFICATE

I, Michael W. Ty, a Registered Professional Land Surveyor in and for the State of Oregon, being first duly sworn, depose and say that I or those under my direct supervision have correctly surveyed and marked with legal monuments the land shown on this subdivision plat map and the following is a true and correct description of said land to-wit:

A portion of Tract 17, Waywest Properties, located in the Northwest One-Quarter of the Northwest One-Quarter (NW 1/4 NW 1/4) of Section 18, Township 18 South, Range 12 East, Willamette Meridian, City of Bend, Deschutes County, Oregon, more particularly described as follows:

Beginning at the INITIAL POINT, being a 5/8" iron rod with yellow "OTAK" cap on the Northeast corner of Lot 35, Aspen Rim, Deschutes County, Oregon; thence along the North plat line of said Aspen Rim North 89°50'58" West 610.69 feet to the Northwest corner of Lot 106, Aspen Rim and the East plat line of said Aspen Rim North 89°50'58" West 610.69 feet to the East plat line of said Aspen Rim North 89°50'58" West 610.69 feet to a point on the South right-of-way line of Holladay Street; thence along said South right-of-way line North 80°52'03" East 180.21 feet to the North-west corner of Lot 121, Aspen Rim; thence leaving said South right-of-way line and along the West plat line of Aspen Rim South 01°07'22" West 434.48 feet to the INITIAL POINT, containing 4.54 acres, more or less.

SURVEYOR'S NARRATIVE

The purpose of this survey was to subdivide that parcel described in the "SURVEYOR'S CERTIFICATE" Control for this survey was based on monuments found and set per the surveys referenced herein this subdivision plat by Otak Incorporated. The majority of all the monuments found fit very well with said surveys and therefore were held along with all record bearings and distances from said surveys. Monuments found and set during the course of this survey are as shown on the subjoined survey plat.
