KNOW ALL MEN BY THESE PRESENTS, That W. C. COYNER and RUTH COYNER, owners of SKYLINE SUBDIVISION of Deschutes County, Oregon, recorded in Plat Book No. 5, Page 93, have adopted the following building and use restrictions as applicable on Blocks A, B, C, D and E of SKYLINE SUBDIVISION, Deschutes County, Oregon:

1. No building, or other structure of any kind whatsoever shall be constructed on said property for use for any other purpose than a residence together with such other incidental buildings as may be and are ordinarily used in connection with a residence.
2. No building shall be located on any lot nearer than 30 feet from the Creek bank, or nearer than 20 feet to any side street line. No building shall be located nearer than 10 feet to any property line, (except that no side yard shall be required for a garage or other permitted accessory building located 100 feet or more from the Creek bank). No dwelling shall be located on any lot nearer than 30 feet to the rear lot line. For the purposes of this covenant, eaves, steps, and open porches shall not be considered as part of a building, provided, however that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.
3. No buildings shall be erected that will be unsightly in any way, or be of unsound construction.
4. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.
5. No trailer, basement, tent, garage or other outbuilding constructed or placed upon any portion of said tract shall be used as a permanent residence.
6. No animals, other than domestic household pets shall be kept on any part of said property.
7. No fence, wall or hedge in excess of thirty-six inches in height shall be permitted to extend from the minimum set back line of the house to the Creek bank.
8. No more than one residence will be allowed on any one lot, (except on Lots 17 & 18 of Block B, Lot 1 in Block A, and Lot 1 in Block E),
9. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of fifteen years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
10. Enforcement shall be by proceedings at law or in equity against any person violating or attempting to violate any covenant either to restrain violation or to recover damages.
11. Invalidity of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
