WILDFLOWER

A subdivision of Deschutes County, Oregon

Owner and developer, Tri County Builders Corp., being the sole parties having an interest in the portion of Section 5, Township 15 South, Range 13 East, platted and filed of record as "WILDFLOWER", Deschutes County, Oregon, do hereby and by these present subject said subdivision, and the whole thereof, to the following Protective Covenants, Conditions and Restrictions.

ARTICLE I

ARCHITECTURAL CONTROL COMMITTEE

Section 1. Architectural Control. No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, as to location with respect to topography and finish grade elevation. The approval signatures of the Architectural Control Committee will be required before apply for building permits from governing agency.

Section 2. ARCHITECTURAL GUIDELINES. The purpose of these guidelines is to protect and preserve the value of property and quality of life in the subdivision. The following minimum architectural guidelines will be observed by each building and/or owner:

- (a) Minimum Size. No residence of less than 1600 square feet of living space, exclusive of garage, shall be permitted to be erected on any lot.
- (b) Roofs. Shall have not less than a 5 in 12 pitch and be covered with composition shingles or earth tone concrete or clay tiles.
- (c) Exterior Walls and Trim shall be of wood, (manufactured wood products such as fiberboard, masonite, etc., are considered acceptable). Color samples will be submitted with plans for

approval. Paint or heavy body stain is acceptable. Plywood (T-1-II) is acceptable.

(d) Exposed Masonry will normally be limited to local stones. Concrete, concrete block, stucco, and brick may be used with specific approval of the Architectural Control Committee.

(e) Building Height. No building may be erected over two stories in height measured from the natural contour of the ground.

(f) Exterior Lighting will be of a type and so placed to eliminate glare and annoyance to adjacent property owners and those passing by.

(g) Driveways will be of concrete, concrete pavers or asphalt.

Section 3. Uses Prohibited without the consent of Committee. Unless the Committee has consented in writing, no parts of said property shall be used in any of the following ways:

(a) As a parking or storage place for trailers, truck campers, boats, boat trailers, snowmobiles, or other off-road vehicles; however, such may be stored provided they are reasonably screened, preferably at the rear of the dwelling.

(b) As a place to burn trash, cuttings, or other items with the exception of barbecue fires.

(c) As a place to raise domestic animals of any kind except a reasonable number of household pets, which are not kept, bred, or raised for commercial purposes and are not a nuisance to other owners.

(d) No structure of temporary character, basement, tent, shack, garage, barn, or other outbuildings, shall be used on any parcel at any time as a residence either temporarily or permanently. However, builders may have a temporary job shack during construction of a home in Wildflower.

(e) There shall be no swine, horses, cattle, poultry or goats on said premises.

(f) No building, whether intended for use in whole or in part as a main residential structure, or for use as a garage or other outbuilding, shall be moved upon the premises unless it is structurally and aesthetically compatible with the existing buildings in the subdivision.

(g) No used materials will be permitted on exterior surfaces. Used brick is permissible. See Section 2 (d).

Section 4. A vote of 51 percent of the owners of the subdivision can adopt, amend, repeal any or all of the above CC&R's after the subdivision is 90% built.

Section 5. Architectural Control Committee Consent. In all cases in which Architectural Control Committee consent is required, the following provisions shall apply:

(a) Material Required to be submitted. Where consent must be acquired by lot owners or any association of owners from the Architectural Control Committee; plans, specifications, and other materials the Committee determines to be necessary to enable it to evaluate the proposal must be submitted at least 30 days in advance of the occurrence which requires consent.

(b) Failure to Act. In the event the Architectural Control Committee fails to render its decision with respect to any proposed work within the 30 days granted it in Section 5(a), the Committee shall conclusively be deemed to have consented to the proposal.

(c) Effective Period of Consent. Architectural Control Committee consent shall be revoked 1 year after issuance unless the work has been commenced or the owner has applied for and received an extension of time from the Architectural Control Committee.
